ABOUT

THE FIRM

Founded in 1989, the driving force behind establishment of the firm was to improve the quality of life and changing the dream into reality. The founder Mr. Er. Masood Ahmed is vastly experienced personality who believes in building strong foundation- be it for the building we construct or of the relationship with our client.

THE FOUNDER

Mr. Er. Masood Ahmed did graduation in Civil Engineering from prestigious Jabalpur Engineering College in 1983. From then on he has worked in various construction projects before he went to Riyadh, Saudi Arabia to work as an engineer in one of the multinational company for next 6 years. He came back to his nation with a vision to start something for betterment of the society and thus founded Rada Constructions. He has been conferred with some prestigious awards like Glory Of India Award in 2016, Best Citizens of India Award in 2017 and Bharat Jyoti Award in 2017 for his meritorious services, outstanding performance and remarkable contribution in developing the nation.
